Important Information Concerning Installation of SAL12-70, TAL12-70 and TAL24-70

Installation of SAL12-70, TAL12-70 or
TAL24-70 requires Piper V-belt# 452-541
(Not Included) when the engine is equipped
with the original 7 1/2" ring gear support
pulley with a 1/2" wide V-Belt.

View our [Installation Instructions](#) for
further information.
